Here's what clients say:

“Jean Louise Green’s writing style is delightful, down-to-earth, and engaging. Her book is as readable as it is interesting.... Reading her book gave me the focus necessary to get the most out of my S.I. experience.”—SJ

“The energetic information in the book helped me learn about grounding, so that I could do more simple, natural things to increase my health and wellbeing.

This is a reference guide I can go back to. It’s not a read it once book. It’s like an owner’s manual for my body.”—KL
