

VERIFICATION OF EDUCATION FORM

If you are not a member in good standing of the International Association of Structural Integrators you will need to fill out this form and return it with your application for the Certification Exam.

Name of Candidate:

School for Structural Integration Training

Date of Completion:

Is this school recognized by the International Association of Structural Integrators? YES NO

For a list of IASI approved schools please refer to the Candidate's Handbook or IASI web site, theIASI.org.

If you answered NO you will need to complete the remainder of this form.

If you received your Structural Integration Training in a non-traditional manner or from a Training program not currently approved by the IASI please supply the information requested on the remainder of this form, pages 1, 2 and 3

For a complete list of the eligibility requirements for applying for the Certification Exam for Structural Integration please see pages 1 and 2 of the Candidates Handbook. Filing an Application that does not meet the eligibility requirement will result in a forfeiture of 50% of your Application fee.

Filing an application to consider non-traditional training that does not meet the minimum training requirements will result in a loss of 50% of the application fee. Applications for consideration of non-traditional qualification will take a minimum of three months to review.

List the hours spent in supervised classroom instruction and directly supervised mentored training in the following subject areas. DO NOT submit hours exorbitant to the minimums required in any area. Applications with exorbitant hours listed will be returned for refilling.

- Structural Integration - minimum 300 classroom or directly supervised hours required
- Anatomy, physiology and kinesiology - minimum 100 combined classroom hours required
- Other bodywork training - minimum 250 classroom hours required

Independent study and work experience cannot be considered.

You must submit copies of all transcripts, certificates of completion and/or diplomas for all classroom instruction listed. You must submit letters from all Instructors of any directly supervised, mentored training which describe in detail the training you received.
